Mountain Pure® Point-of-Use Carbon Water Filtration System

SD-MT1250XL

MT1250XL

The pinnacle of convenience and satisfaction, Mountain Pure® brings fresh, pristine water to you directly through your own faucets. Access to clean water is of the utmost importance in everyday life, and having the freshest, best tasting water available anytime can save you both time and money. Just think how much you spend on bottled water from week to week – savings and ease can be found when you have your own filtration system. Mountain Pure® allows you to enjoy clean, safe water for drinking, cooking and even face washing when you install in your bathroom.

Mountain Pure® Carbon Filtration Systems comes with a carbon filter cartridge that incorporates powder activated carbon and a bacteriostatic agent that protects it from bacteria growth. 1/4 Turn automatic shut-off valve allows for easy replacement and eliminates the usual mess of replacing filters.

- Includes MT1250XL/RFC Filter

Mountain Pure® Filter Features:

- More efficient and clog resistant – unique filter media created by attaching powdered activated carbon and lead absorbent material onto a cellulose-free synthetic fiber matrix
- Filter removes 99.9% of particles over .5 microns
- Filter incorporates an anti-microbial agent to reduce bacteria
- Anti-scale media for protection against scale build-up on the faucet and inside of the hot tank
- 1250 gallon capacity – lasts 1 year based on average usage
- Operates without wasting water like R.O. filters
