

Safety Valve-Leak Detector

SD-MT6LD

MT6LD

A flood often happens without warning causing substantial flooding and severe property damage if undetected. Mountain Plumbing's safety valve-leak detector automatically shuts off the water source and sounds off an audible alarm (similar to a smoke detector) when moisture is detected.

- Automatically shuts off once water is detected
- Audio alarm when leak occurs
- Operates on 9V battery
- Quick connect 1/4" adaptor included for easy installations
- Use with Mountain Plumbing Little Gourmet® hot tank and/or Mountain Pure® filtration unit
